Elixir Mail Order Pharmacy is now Birdi!

Dear <First Name>,

Tweet, Tweet! As of February 1st, Elixir Mail Order Pharmacy is now Birdi! You will see the Birdi name on your medication packages and pharmacy communications. Don't worry, your prescriptions will still be handled by the same experienced and dedicated team—just with a new name!

You don't need to do anything. You'll still get the same great service. You can still access your Member Portal or call us 24/7 at the number on your ID card. We're excited about our new name and our continued commitment to serving you with your medication needs. Thank you for being a Birdi customer!

Sincerely,
